March 6, 2008

I have known Rob Boyles for many years and as an anti-graffiti volunteer, I was inspired by his passion, leadership and dedication to eradicating graffiti from the City of San Jose. He is perhaps the most knowledgeable individual on all aspects of anti-graffiti.

As a past president of the Silicon Valley Crime Stoppers and Current board member of The San Jose Police Foundation I highly Commend Rob for his excellent performance in eliminating graffiti.

Sincerely,
Ben Angileri
